CAMP PACKING TIPS

- Label All Bags – Include your first and last name on as many belongings as possible.
- Bring Layers – Although the summer in Lake Park can hit the high 90's, the air conditioned buildings and evenings can be chilly.
- Pack Some Extra Ziplock or Plastic Bags – Clothes and shoes can get muddy or ruined so pack some spare bags for any drenched clothes. This will also help your camper's bag or trunk stay nice and dry.
- Contact Your Group's Counselors Regarding Medications – If your camper needs to take medication daily or has allergies make sure your group's counselors know. The counselor will need to keep all medication and be responsible for giving your camper their daily dose.
